Break-in check service

- Renew [engine oil and oil filter](#).
- Renew [final drive oil](#).
- US vehicles only:

Change [manual gearbox oil](#). **Note: not for twin-clutch gearbox!**

- Reset the "Pre-delivery check" CBS display.

=> The pre-delivery check must be deactivated via the diagnosis system (system functions: Reset CBS -> **Deactivate pre-delivery check**).

Attention: Do not reset the "Engine oil" CBS display!
