More about the Zig Zag Foundation

The absolute and dual focus of the Foundation is to help sick & under-privileged/at risk children. To do this, the Foundation is seeking the support of the business community and general public to raise the necessary funds and awareness to make the difference for these children. Every year the Foundation will run events & accept donations with a goal to raise one million dollars each year (\$500,000 in the 1st year). The 2007 Brisbane BMW Zig Zag Charity Ball is the inaugural fund raising event for the Zig Zag Foundation, we look forward to seeing you there and hope you have a fantastic time helping the children.
